

JOHN HENRY SCHWARZ

Birth: November 22, 1941, North Adams, Massachusetts

Address: California Institute of Technology 452-48, Pasadena, CA 91125

Telephone: (626) 395-6642 [office]

Email: jhs@theory.caltech.edu

Website: <http://theory.caltech.edu/~jhs/>

Education: Harvard College – A.B. (mathematics) 1958–62
University of California, Berkeley – Ph.D. (physics) 1962–66

Employment: Princeton University:
Instructor and Lecturer 1966–69
Assistant Professor 1969–72

California Institute of Technology:
Research Associate 1972–81
Senior Research Associate 1981–85
Professor of Theoretical Physics 1985–89
Harold Brown Prof. of Theoretical Physics 1989–2014
Harold Brown Prof. of Theoretical Physics Emeritus 2015–

Leaves of Absence: Laboratoire de Physique Théorique
de l'Ecole Normale Supérieure 9/78–8/79
Paris, France

Queen Mary College
University of London 9/83–12/83
London, England

Institute for Theoretical Physics 8/86–12/86
University of California 3/93–6/93
Santa Barbara, California 3/98–6/98

Rutgers University 9/95–11/95
Piscataway, New Jersey 10/04–11/04

Awards & Honors: NSF Graduate Fellowship 1962–66

John Simon Guggenheim Fellowship	1978–79
Fellow of the American Physical Society	1986
John D. and Catherine T. MacArthur Fellowship	1987
Dirac Medal of the ICTP (Trieste, Italy)	1989
Elected to the National Academy of Sciences	1997
Dannie Heineman Prize for Mathematical Physics (awarded by the American Physical Society)	2002
Awarded Honorary Professorship by the Univ. of Science and Technology of China	2004
Elected to the American Academy of Arts and Sciences	2007
2014 Physics Frontier Prize and Fundamental Physics Prize	2013

Lecture Series:	ICTP Spring School (Trieste, Italy)	1984
	Jerusalem Winter School	1984
	Scottish Universities Summer School (Edinburgh, Scotland)	1985
	Leigh Page Prize Lectures (Yale Univ.)	1987
	Academica Sinica Lectures (Beijing, China)	1987
	Banff Summer Institute (Banff, Canada)	1988
	Phi Beta Kappa Visiting Scholar (at 6 US universities)	1990–91
	Andrejewski Foundation Visiting Lecturer (E. Germany)	1994
	ICTP Spring School (Trieste, Italy)	1996
	TASI Summer School (Boulder, CO)	1996
	The Newton Institute (Cambridge, England)	1997
	VII Argentinean Symposium (Bariloche, Argentina)	1998
	NATO Advanced Study Institute (Cargèse, France)	1999
	TASI Summer School (Boulder, CO)	1999
	NATO Adv. Study Institute (St. Croix, Virgin Islands)	2000
	School on Fundamental Interactions (Pirenopolis, Brazil)	2000
	Int'l Spring School on String Theory (Hangzhou, China)	2005
	Prospects in Theoretical Physics (IAS, Princeton)	2008
	Quantum Gravity in the Southern Cone (Sao Paulo, Brazil)	2013
	Della Pietra Lecture Series (Stony Brook, NY)	2014

Offices:	Aspen Center for Physics:	
	Treasurer	1982–85
	Board of Trustees	1982–88
		1996–02
	General Member	1988–05
	Honorary General Member	2005–
